

ROOSTER TALES

DECEMBER 2023

Happy Holidays USD #269 Constituents,

I hope that you take this time to relax and enjoy family time. We are winding up the semester here in Damar/Palco faster that I want to admit to. Hard to believe that November is almost gone and December will be upon us. The winter sports season is underway and have been very proud of our student athletes. They have worked really hard both in the classroom and on the court. Please make sure that you check the Google District calendar on our school website to try and make it out for on of our home games. We have 1 more JH home game in Damar (1/18/24) and are lucky to have 5 HS games in Palco this year.

I would like to extend a huge thank you to Mrs. Guffey and Ms. Couse for putting on our Veteran's Day Program. We were able to livestream it on Facebook so those family members afar could watch it. It made me very proud to be from a great district and honor those who have served our country. The Quilts of Valor were amazing and all the kids got to be a part of making them. Thanks again to Mrs. Guffey and Ms. Couse for helping the students learn this valuable lesson of sewing.

Our printed calendars are wrong! We DO have school on Thursday, December 21st and then NO SCHOOL and Teacher Workday on Friday, December 22nd. I apologize that I didn't catch that when I proofread the calendar.

I hope that everyone has a great December and enjoy the last month of the semester as it will be over before we know it.

Merry Christmas and a Happy New Year!

Mr. Prewo

PHS Class of 2024

Twin-Sized Quilt Raffle

The PHS Class of 2024 recently completed a quilt top project for their Life Skills class that is taught by Ms. Couse. The materials were donated to the class and the seniors began learning how to use a sewing machine. Each student was given a row to piece and sew together. They also became acquainted with the seam ripper and clothes iron. With the help of Ms. Couse, the rows were all attached. Upon completion, the quilt top was sent to a professional longarm quilter, Amanda Long with C~R Quilting & Longarm Services, to be finished and bound. The senior class appreciates her donating her services towards their project!
